

## Wingman Event Nights

### What is the Wingman Program?

Wingman for Dance inspires dancers to become helpful heroes that go above and beyond for each other. Wingman boosts children's confidence and recognizes their unique strengths. Wingman inspires empathy, compassion, kindness and most importantly, acceptance of all children regardless of any perceived differences.

**These are the Wingman Core values that we will be talking about during the sessions:**  
*Winning Isn't Everything, Include Everyone, Never Shut Anyone Down, Go Above and Beyond Step Up and take the Lead*

Our KMC Wingmen will be having monthly activity/team building sessions for the younger dancers as well as the show unit dancers. The focus will be on what makes each dancer special, getting to know each other more and making the studio a true community where everyone feels like they have a "wingman"

Parents are encouraged to drop off their dancer so they can "hang" with the wingmen at the studio. Dancers should just wear street clothes to the meetings.

The Wingmen will be meeting once a month with our dancers for new activities, crafts and discussion/circle time. We are excited to see how the dancers continue to grow in inclusiveness and comradery throughout the year.

***Check out more info under the "Wingman" tab on the studio Website. Sessions will all meet from 5:30-7:00***

**Friday September 20<sup>th</sup>** Fall Kickoff..Getting to know our new KMC friends and deciding on the "Us" board
